

ORAL REMEDY SPRAY

PRODUCT DESCRIPTION

ORAL REMEDY SPRAY is a solution based on HPMC, hyaluronic acid [0.3%] and herbal extracts rich in mucilage [marshmallow, mallow, plantain and Erysimum extracts].

It is useful for relieving and preventing throat irritation. Thanks to its soothing and protective action, it can be useful in alleviating the symptoms of various throat disorders [hoarseness, tingling and burning in the throat, dry cough, dry mucous membranes, sore throat] in case of inflammatory diseases or exposure to external irritating agents such as cold, smoke, smog, and dust].

Unique formulation which allows the ingredients to be rapidly assimilated. Useful and practical.

ACTIVE INGREDIENTS

HYDROXYPROPYLMETHILCELLULOSE (HPMC): dispersed in water, it forms a thin protective and moisturizing layer, which prolongs the permanence of the product in the zone of action, allowing prolonged action and effect over time.

HYALURONIC ACID forms a viscous, mucoadhesive substance with high moisturizing and lubricating capacity and thus regulates the hydration of the tissues.

HERBAL EXTRACTS [marshmallow, mallow, plantain and Erysimum extracts]: complex polysaccharides with moisturizing and mucoadhesive properties.

INSTRUCTIONS FOR USE

Spray directly into the oral cavity one or two times.

Repeat the application until three to four times a day.

WARNINGS

Children over 3 years old [under adult supervision]. Pregnancy and breastfeeding on medical advice.

PRESENTATION

Available in 10 ml, 15 ml, 20 ml or 30 ml spray bottle with revolving dispenser.

PRODUCT CATEGORY

Medical Device class IIa.
