

HANGOVER ODF

Efective against hangover and fatigue

PRODUCT DESCRIPTION

EASY START ODF is an edible film with curcumin and vitamins effective against hangover and fatigue.

The ODF formulation allows the ingredients to be rapidly assimilated without water. Useful and practical

INGREDIENTS

Curcumin longa extract, a substance in tumeric, has been proved to be effective in relieving hangover. It is excellent for alcohol decomposition and helps recovery of liver function by promoting choleric. In particular, it helps to decompose alcohol into carbon dioxide and water by accelerating the action of alcohol dehydrogenase and aldehyde dehydrogenase.

Pyridoxine hydrochloride and **Biotin** help to reduce tiredness and fatigue by boosting the energetic metabolism. More concretely, Pyridoxine hydrochloride reduces the number of hangover symptoms by approximately 50%.
